

Special Instructions

Janice was trained as a Reiki II practitioner to facilitate an Absentee Healing session by utilizing a **photograph**.

PLEASE READ THIS IMPORTANT INFORMATION REGARDING:

Online Intuitive Readings, Reiki II Sessions
and Reiki II Sessions conducted via MAIL.

To complete a person's Reiki II or Intuitive Reading when **NOT** conducted in person, Janice *must* have:

- 1) permission to conduct the session from the person in need of healing;
- (2) her/his **full name**;
- (3) his/her **Mailing Address**;
- (4) a **photograph*** of the person requiring the healing (no larger than 4" x 6" *please*) that clearly shows her/his eyes; [**Photos can be mailed to our offices or sent to us in an email**]

A. Please write the person's name and address on the back of the photo. *Helpful Hint*: Use a self-sticking, return address label.

B. If the person is shown in a group photo, please identify her/him (e.g. man in red shirt, second on left)

*Old photos, of when the subject was younger, work just fine as long as their eyes are clearly visible.

Please Note: A Reiki II *cannot* be completed without the above required information. The address is needed so that the photograph (if it's an actual photo as opposed to a digital photo) and the written information of the session can be returned to the person for whom the healing was done.
